

# Employee Handbook

## Annual Leave Policy

Employees should submit annual leave requests through the HR system at least 3 business days in advance.

Managers should approve or reject the request within 2 business days.

## Remote Work Policy

Employees may work remotely up to 2 days per week with manager approval.

Remote work requests should be submitted before the end of the previous week.

## Expense Reimbursement Policy

Business expenses must be submitted within 30 days after purchase.

Receipts are required for all reimbursement requests.

## Security Policy

Employees must not share company documents with external parties.

Confidential documents should only be stored in approved company systems.

## IT Support Policy

Employees should contact the IT support desk when they have issues with laptops, accounts, or internal systems.

Urgent issues should be reported by phone.
